OVERVIEW OF THE FIRM’S DEI INITIATIVES

Diversity makes us who we are, strengthens our culture, and challenges us to be better and do more. We are proud of our programs, which are designed to enhance DEI and we will keep innovating to improve, grow, and inspire.

Lawyers from underrepresented groups have long been represented on the firm’s management committees responsible for promotions to partnership, recruiting, training, and mentoring, among other responsibilities.

Latham’s Diversity Leadership Committee works to promote the firm as a workplace where the best and brightest lawyers from all groups, including those traditionally underrepresented in the legal profession, excel and find opportunities to become leaders.

Latham has a number of initiatives focused on DEI, including:
- Allies@Latham, a firmwide initiative designed to inform and guide our colleagues in becoming more effective allies through practical tips, educational resources, and training programs shared every month
- A Diversity and Racial Justice Speaker Series featuring monthly presentations from thought leaders and experts, providing us with information and tools to advance justice and equality
- A Family Planning Assistance Program, offering financial assistance for a range of family planning services
- A range of enhanced parental leave policies, enabling non-birth parents to spend more time at home caring for their newborn or adoptive child
- A new policy of not pro-rating year-end bonuses for paid leave. Consistent with our culture of supporting families and wellness, full credit is given towards an associate’s pace budget for year-end bonus purposes for up to 26 weeks of time spent on paid leave
- Diversity Leadership and Women’s Leadership Academies
- Our Women Enriching Business Committee, which hosts 50+ events around the world each year
- 18 global affinity groups for lawyers and staff, with over 3,700 members around the globe (many of whom are members of multiple groups)
- Firmwide training to ensure inclusive selection and evaluation in all progression and recruitment activities, including combating unconscious bias
- Appointed attorneys responsible for allocating work equally among associates

DEFINITIONS

- The mean gender pay gap is the difference in average hourly rates of pay for men and women. The gender pay gap is the difference in the midpoints of pay rates (ordered from highest to lowest) for men and women. The mean and median gender pay gap is based on hourly rates of pay as at April 5, 2021.
- The mean gender bonus gap is the difference in average bonus pay for men and women. The gender bonus gap is the difference in the midpoints of bonus pay (ordered from highest to lowest) for men and women. The mean and median gender bonus gap considers bonus pay received in the 12 months leading up to April 5, 2021.
- The gender pay gap is different to equal pay. Equal pay relates to men and women being paid equally for work regardless of gender.
