ASSESSMENT

Apply your skills and judgment to a simulated pro bono case, based on a real-life matter.

The behavioral assessment, which includes preference-type questions, is designed *to help us understand your natural approach to work.*

Participate in a short, single question video interview, to *showcase your soft skills and values.*

The experience will also provide you with a window into *life at the firm.*

Directly through LWCareers.com

3 FEEDBACK

Following the assessment, you'll receive a report that will *showcase your strengths and developmental areas.*

4 ASSESSMENT DAY

Interview with partners and lawyers from the London office.

As part of the experience you will have the opportunity to *flex your communication and analytical skills* through a written task and presentation.

Use the time to get a sense of the firm's culture, and *ask any questions that you might have.*
