► Shout-out to the **Latham & Watkins** team led by partners **Janice Schneider, Stacey VanBelleghem, Roman Martinez, Devin O'Connor**, and associate **Rachael Westmoreland**, who secured a court order allowing Revolution Wind, the 80% complete \$6.2 billion wind project off the coast of Rhode Island, to restart construction. U.S. District Senior Judge Royce Lamberth in Washington, D.C. called the Bureau of Ocean Energy Management's Aug. 22 stop-work order on the project "the height of arbitrary and capricious action." The Judge granted a preliminary injunction blocking the order this week.
