► Shout out to a joint defense group at **Latham & Watkins**, Debevoise & Plimpton and Wachtell, Lipton, Rosen & Katz that knocked out a stockholder derivative and class action filed in Delaware Chancery Court targeting IAC Holdings' reverse-spin off of Match Group. Vice Chancellor Morgan Zurn last week adopted the defendants' standing argument almost word-for-word. The judge also found the transaction complied with the framework laid out in *Kahn v. M&F Worldwide Corp.* and therefore was subject to the business judgment rule. The Latham team included partners **Blair Connelly**, **Michele Johnson**, **Joshua Hamilton** and **Meryn Grant**, and associates **Michael Galdes** and **Adele Zhang**. The Debevoise team included Maeve O'Connor and Susan Gittes. The Wachtell team included Theodore Mirvis, Alexandra Sadinsky and Canem Ozyildirim.
