## Runners-Up and Shout-Outs

► Here's another shout-out to a team at **Latham & Watkins** that we previously shouted out last fall for securing an injunction against an August stop-work order halting work on the \$6.2 billion Revolution Wind project off the coast of Rhode Island. This week, U.S. District Senior Judge Royce Lamberth in Washington, D.C., granted the Latham team's request for an injunction blocking a Dec. 22 stop-work order, finding that the federal government's national defense justification didn't warrant a complete 90-day shutdown of work on the project. The Latham team representing Ørsted, the Danish energy company developing the project, includes **Janice Schneider, Stacey VanBelleghem, Roman Martinez, Devin O'Connor** and **Rachael Westmoreland**.
