► Runners up honors also go to a **Latham & Watkins** trial team led by partners **David Callahan** and **Giri Pathmanaban**. An East Texas jury found their client Overhead Door didn't infringe three patents asserted by competing garage door company The Chamberlain Group, which was seeking about \$60 million in damages. What's more, the jury found the asserted claims of two of the patents invalid. Overhead Door's team also included Latham counsel **Susan Tull** and partners **Kenneth Schuler** and **Clement Naples**, as well as Michael Smith of Scheef & Stone and Leon Carter of Carter Arnett.
