Jason led a multi-disciplinary team advising Mallinckrodt for more than three years in what is one of the most challenging and complex Chapter 11 proceedings in history, which deleveraged the company's balance sheet by ~\$1.3B and resolved thousands of opioid-related lawsuits. He represented RingCentral, a provider of global enterprise cloud communications tools and services, in efforts to restructure its operating partnership with Avaya, ahead of and in the shadow of Avaya filing Chapter 11. Jason was the co-lead partner advising Starry, a fixed residential wireless broadband provider, in its restructuring efforts and recently filed Chapter 11 cases, successfully negotiating a pre-arranged filing with 100% of Starry's senior lenders supporting a speedy, dual-track plan and sale process.
